

BUILDING CONSTRUCTION

COPPER HILLS HIGH SCHOOL

MR. WARLOUGH CRANE

Course Objective:

In this building construction class, the students will learn a variety of skills that will enhance and sharpen problem-solving abilities. The students will learn beginning and intermediate skills and knowledge in a safe working environment relating to:

1. Basic drafting and math related to building construction
2. Machine and hand tool safety and proper tool usage
3. Construction of a project
4. Building codes
5. OSHA
6. Building scheduling and sequence

Class Policies:

1. For the safety of the students, safety glasses must be worn while students are working on the project.
2. Gum, candy, drinks, food of any kind, Ipods, MP3 devices, cell phones, and electronic Devices are NOT allowed in class or shop.
3. No unsafe acts, horseplay, or goofing off will be allowed.
4. Students will allow the teacher to teach and fellow students to learn.
5. Everyone will respect the rights and property of others including considerate language.
6. Students will bring pencils, notebook, glasses, and the appropriate materials to class.
7. Students will be removed for any inappropriate behavior.
8. Students are not allowed to use the machinery without teacher permission.
9. Shelf space is provided for project storage during construction of projects. Lockers are available for students to store their personal items needed in the shop. Bring a lock from home. The school and its instructors are **not** responsible for misplaced or lost items.
10. Cell Phone Policy: Please refer to CHHS Code of Conduct and Student Handbook.
11. Student will not wear hats or long, loose, or baggy clothing including hoodies/jackets. These must be removed before entering the shop.

Consequences:

1. Verbal warning.
2. Write sentences/loss of shop privileges for 1 day.
3. Telephone call to parents or referral to notify parents.
4. Student/Parent Contract.
5. Referral to the vice-principal.

Rewards:

By following the rules of the class/shop, student will have a fun time in a safe and caring working environment.

Tardy Policy:

This class follows the school-wide tardy policy. Students will be in their assigned seat, quiet, and attentive when the bell rings. (Being in the room, but not in your seat or inattentive is still considered a tardy). Students must sign the tardy book during their class period, if they come in late, to not be counted absent.

Attendance

Students must have a school excused absence or tardy to receive full credit for the day. Students with a school excused absence or tardy must make up missed work within one week of the absence or tardy.

Hall Pass:

Hall passes are for emergencies only. Take care of personal needs before class. Thanks!

Grading:

A student’s grade is determined by a percentage of total points possible for the quarter. Grades include written assignments, tests, reports, projects, and participation points for each activity. Reflected items regarding participation is clean-up at the end of every period and respect given to projects made and machinery within the shop. Students will be involved in project evaluations.

When a student has an excused absence, they can make up the absence for work missed. This work must be turned in within one week of the day missed. If a student is in class and chooses not to do an assignment, that assignment cannot be made up.

Students may grade written assignments or read student’s work in class.

Grades:

A 93-100	B- 80-82	D+ 67-69
A- 90-92	C+ 77-79	D 63-66
B+ 87-89	C 73-76	D- 60-62
B 83-86	C- 70-72	F Any grade below 59%

Dress Code:

We follow CHHS and JSD dress code.

Fees:

A standard \$20 class fee is required for Woods 1. A standard \$30 class fee is required for Woods 2 and Woods 3. Due to the variety of individual choices of projects, shop fees will vary. Students will only be charged for materials used for personal projects. All fees will need to be paid at the office before the project can be made. Maximum project fee for Woods 1 is \$205. Maximum project fee for Woods 2 and Woods 3 is \$1,500. **ALL projects MUST be paid for and picked up by the last day of each semester or it will become the property of the school and sold or disposed of.
